Centre Fees

Centre Approval - £750

ProQual makes a charge to cover the cost of initial centre approval, this is a one-off fee that is not payable in subsequent years. The fee includes an initial visit to approve the centre and the qualifications listed on the application form. If you wish to become an approved ProQual Centre, please complete and return the New Centre Application Form.

EQA Verification Visit - £500

All centres will receive a *minimum* of one verification visit per year. This fee is payable per visit.

Continuous External Quality Assurance (CEQA) Visit - £500

Centres will receive a CEQA visit as deemed appropriate by the awarding organisation. This fee is payable per visit.

Appeals - £100 per stage

Where an appeal is required a fee of £100 will be made for each stage of the process. This fee is refunded if the appeal is successful.

Centre Name Change

Where a centre legally changes its name, there will be an associated administrative fee. The fee depends on the method in which the centre has changed their company name.

If the centre is a limited company and has changed their name on Companies House, and the company number, site address and staff remain unchanged, an administration fee of £100 is payable.

If the centre is dissolved and a new company is set up, and the site address and staff remain unchanged, a fee of £375 is payable. This will include conducting a new 'desktop review', and not a full centre approval. If there are also changes to the centre address and staff, then the full centre approval process will take place.

Additional Qualifications - Free

There is no fee for centres seeking approval to offer ProQual qualifications in the same skills sector as their initial approval.

Qualification Development - Negotiable

The development of new qualifications will incur a fee based on a number of factors, including but not limited to the size, level and potential wider market interest. All applications for qualification development will be reviewed and a quote provided before development work commences. If you wish to make an application for qualification development, please contact ProQual directly.

All centre fees are non-refundable unless otherwise stated.

Registration and Certification Fees

All candidates must be registered for the qualification they are undertaking before claims for certification can be made. Certification can be claimed for full qualifications as well as for single or multiple units. ProQual offers two options for candidate registration and certification:

Option One

Registration - £25 per candidate

This will be invoiced for payment at the time of registration.

Certification - £10 per unit claimed

This will be invoiced for payment separately at the time of the claim for certification. Please note that where centres make an initial claim for units only, and subsequently claim for full certification, there will be incurred the full certification fee per candidate plus an additional £25 administrative fee.

Option Two

Combined Registration and Certification

This will be invoiced for payment at the time of registration. The fee for option two depends on the individual qualification being registered, please see the full list of qualifications for details. *Option Two will always represent a saving over Option One.*

Other Fees

Change to a Registration - £10

Where a centre requests to make a change to a registration, we will require proof of learner ID in order to determine that the request is genuine.

Replacement Certificates - £25/£35

Individuals requiring a replacement certificate should contact the ProQual centre where the training and assessment took place, the ProQual centre will then make a request for a replacement certificate. Centres will be charged £25 per certificate.

If the centre where the training and assessment took place is no longer a ProQual Centre, or has ceased trading, individuals can make a request directly to ProQual. Individuals will be charged £35 per certificate.

All registration and certification fees are non-refundable.

Late Payment Fees

Invoices should be paid within 30 days.

If an invoice is not paid within 30 days the following procedure will be followed:

- Once the invoice is 14 days overdue: The centre will receive a reminder email, warning them that the invoice is now two weeks overdue.
- Once the invoice is 28 days overdue: The centre will be notified that the invoice is now four weeks overdue. At this stage an additional late payment fee of £50 will become payable. The centre's ability to register and certify candidates will also be suspended with immediate effect. This suspension will only be lifted upon payment of the original invoice, plus the late payment fee.

Failure to pay invoices in a timely manner may result in a centre's status as a ProQual approved centre being withdrawn.

Qualification Fees

Qualification Number	Qualification Title	Link	Option Two Fees
Assessing & Quality Assurance			
600/2251/6	ProQual Level 3 Award in Assessing Competence in the Work Environment	↗	£40
