c) EQA Service - Verification

All centres will receive a minimum of one Verification visit per year. The fee for any Verification visits to a centre is £500 per visit.

If ProQual deems it necessary for additional or supplementary or investigative Verification visits to a centre the fee is £500 per visit.

Following centre approval all centres will have a minimum of one Verification visit per year to maintain centre approved status and, subject to registration and certification activity, a minimum of one Continuous visit per year.

### Appeals

Where an Appeal is required there is a charge of £100 per each stage of the process. (The fee is refundable if Appeal is successful).

### Additional Qualifications

There is no fee for centres seeking approval to offer current ProQual qualifications in the same skills sector as their initial approval.

### Qualification Development

The development of new qualifications will incur a fee and may be subject to the terms of a Memorandum of Understanding. All applications for qualification development will be reviewed and a quote will be provided before development work commences.

All fees are non-refundable.

## 2. Registration and Certification Fees

All candidates must be registered for the qualification they are undertaking before claims for certification can be made. Certification can be claimed for full qualifications and as well as for single or multiple units. ProQual offers two choices for candidate registration and certification:

Option 1      Registration **invoice and payment at the time of candidate registration** - £25 per candidate.  
Certification **invoice and payment at the time of claim for candidate certification** - £10 per unit claimed.

Option 2      Combined candidate registration + certification for a full qualification **invoice and payment at the time of candidate registration**  
**No refunds can be made if a candidate does not complete a full qualification.**

### Additional Administration Fees

Where centres claim certification for units only and subsequently claim for full certification the charge per candidate will be the full certification fee for the qualification plus an administration fee of £25.

If a request for a change to a registration is made, we will require proof of learner ID in order to make a decision as to whether the request for an amendment is genuine. There is a £10 administration fee for all amendment requests.

**All fees are non-refundable.**

### Replacement certificates

Individuals requiring a replacement certificate should contact the ProQual Centre where the training and assessment took place, the ProQual Centre will request a replacement certificate; the fee is £25. If the centre is no longer a ProQual centre, an individual can contact ProQual to request a replacement certificate, the fee is £35.

### 3. Invoicing

#### Centre Approval

A centre approval fee is invoiced when a centre approval is arranged.

#### Registration and Certification

Option 1 - The candidate **registration** fee is invoiced at the time of submitting candidate registration details. The candidate **certification** fee is calculated and invoiced at the time of the request for unit or qualification certification.

Option 2 – The candidate **registration** and **certification** fee is invoiced at the time of submitting candidate registration details. No refunds can be made if a candidate does not complete a full qualification.

**Please note:**

**An administration charge of £50 will be made for late payment of invoices.**

**If any invoices are not paid within 30 days, they become overdue and the following process is followed:**

**The finance team will send a chaser email after 14 days to the Centre’s Finance Contact and Head of Centre explaining that invoice(s) have been overdue for 2 weeks and failure to pay outstanding monies may result in sanctions being placed on the centre including a stop in registrations, a stop on certification or withdrawal of approved centre status.**

**The finance team will send a final reminder after 28 days to both the Finance Contact and Head of Centre explaining that as they have still not paid the outstanding monies they have been issued an administration charge of £50 and are being referred to the EQA Service Risk Manager.**

**The EQA Services Risk Manager will stop registrations and certification with immediate effect and notify the centre by e-mail.**

**The Centre’s sanctions will only be lifted upon payment of any overdue monies and payment of the £50 administration charge.**

**Notes: In the event that the EQA Services Risk Manager is not available the sanctions and communication with the centre will be made by the ProQual Executive Director.**

All fees are quoted exclusive of VAT.
